The Big Battery Hunt

Dear Parents/Carers,

We have decided to take part in a very exciting campaign called the Big Battery Hunt. In school your child will learn how important it is to recycle batteries and what happens when people don't. Your child has been challenged to find and collect as many batteries as possible, so please help them do this. They can be as creative as they like by going to work spaces, places of worship, local businesses and the wider community to enlist everyone to help make sure that no battery ends up in landfill.

Your child has been supplied with a collection box. Please get them to bring this into school when it is full so that we can add it to the main container and enter the competition. They can then take the box home and fill it again.

Please visit <https://nationalschoolpartnership.com/initiatives/bigbatteryhunt/> for more information about the campaign plus a break-down of all the prizes that the school and your child could win.

*See the base of your collection box for safety instructions. The competition ends on Monday 3rd June, so make sure your child brings in their batteries before then.

Happy Hunting!

Mr Blake
