18th March 2019

Dear Parents and Carers,

You may remember that last year, two of our pupils inspired us to stop using plastic straws for our milk, to help protect the environment. We are continuing along this path and have joined forces with Walkers to take part in their crisp packet recycling scheme.

We shall be collecting empty crisp packets after every lunchtime and are also hoping to receive any that you may collect at home. The scheme accepts any brand of crisp (not just Walkers), and any size of packet, including the large multi-pack bags.

Packets will be sent to Terracycle and made into all kinds of things, such as watering cans and plant pots. More information is available on www.walkers.co.uk/recycle.

Some of our year 6 children have already started to collect packets in their classes and we are so proud that they getting behind the project, even making posters and collection boxes at home.

Feel free to start saving your empty crisp packets and bring them into school so that we can turn them into something more useful and help the environment at the same time!

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Ensor'.

Mrs S Ensor

Co-Headteacher
