7th May 2019

Year 6 NCTs Monday 13th May

Dear Parents/Carers

Before the week starts, we would like to say how proud we are of the effort year 6 have made this year to assimilate the curriculum. They have worked hard and deserve to do well.

In order to help them, we are wishing them a restful weekend. They should enjoy the sunshine, rebuild their energies and return to school Monday ready for their busy week. A playful weekend, boosted by a good night's sleep on Sunday will do much to ensure that they arrive in school rested and raring to go. Revision books should be kept in a drawer; they will have done all they can at this point.

Once again, the school is organising the tests in a different way. This is to ensure that your children have all the support that they are entitled to within the guidelines. To this end, we are splitting the co-hort and they will sit the tests in the same morning but at different times. Whilst one group is sitting the test, the others will be taking part in a round of sporting activities and then they will swap. During the changeover, we have to ensure that there is no contact between the two groups, so the children may comment on this. We had a practice run-through in March and it was very successful; let's hope that success is replicated in May.

We intend to provide the children with a snack before their tests. This will help them to relax as they chat to classmates whilst nibbling on some fruit and a pastry.

Please ensure that your child's medical details, dietary requirements and any allergies are fully up to date and any changes are made with the office.

For your information, we are attaching a copy of the week's timetable; feel free to tear it up on Thursday!

Thank you for your support.

Year 6 team

Monday 13 May	<ul style="list-style-type: none"> English grammar, punctuation and spelling Paper 1: questions English grammar, punctuation and spelling Paper 2: spelling
Tuesday 14 May	<ul style="list-style-type: none"> English reading
Wednesday 15 May	<ul style="list-style-type: none"> Mathematics Paper 1: arithmetic Mathematics Paper 2: reasoning
Thursday 16 May	<ul style="list-style-type: none"> Mathematics Paper 3: reasoning
