Date: 8th February 2019

KS1 National Curriculum Tests information evening

Dear Parents and carers,

We would like to invite you to attend an information meeting for parents of all Year 2 children on **Tuesday 5th March at 6.00 p.m.** The meeting will take place in the Garden Rooms (Meerkat classroom), and is to share information about the National Curriculum Tests which will be administered during the summer term.

National Curriculum Tests are tests that are taken by every child in the U.K. at the end of a Key Stage. Year 2 marks the end of Key Stage 1 and Year 6 marks the end of Key Stage 2.

The first thing to say about the Key Stage 1 tests is that your child may be completely unaware that they are taking them. Schools have considerable flexibility in how they implement the tests and much of it will feel like a normal classroom day. The teachers will do their best to ensure that children are not at all concerned about the tests. There are several papers altogether across English and mathematics. All the tests will be marked by teachers at school to help them judge the attainment and progress of your child. We will give you more information about the tests at the meeting as well as giving you some information to read yourself.

Please indicate below whether you are able to attend.

Yours sincerely,

Year 2 team

KS1 National Curriculum Tests information evening

I will / will not be able to attend the KS1 test information meeting on **Tuesday 5th March at 6.00 p.m.**
