September 2018

Dear Parents/Carers

### Severe Nut Allergies

As we start a new school year, we wanted to remind you that we have children in school who have a severe food allergy to peanuts/nuts. It is important that these children strictly avoid eating and coming into contact with these foods in order to prevent a life-threatening allergic reaction. We are asking for your help to provide children with a safe school environment.

To reduce the chance of anaphylactic reaction, we are asking that **you do not send any peanuts or products containing nuts to school with your child.**

These may include;

- Peanut butter sandwiches
- Chocolate products containing nuts
- Baked goods containing nuts
- Packets of nuts/peanuts

We really appreciate your support in this matter.

Yours sincerely,

Handwritten signatures of S Ensor and Z Wilby in black ink.

S Ensor and Z Wilby
