Parents Of Durrington Schools

10th May 2019

Dear Parents / Carers,

Sponsored Dance-a-Thon – Friday 24th May 2019

This year we are doing something slightly different for our Summer Fundraiser. We are having a sponsored Dance-a-Thon on Friday 24th May.

The idea is that we have pupils dancing continually from the start of the Dance-a-Thon in the morning, to the end of the event. Every pupil will have a chance to come and take part over the course of the event and everyone who takes part will receive a Certificate of Participation.

There will be a mix of “freestyle” dancing, and some favourite routines such as The Cha Cha Slide and The Macarena. There will be pupil guides on hand to help with the moves if anyone is a little rusty! If the weather is nice we will be outside, (if it is a hot day please send your child in with sun cream and a hat), and will be held in the Junior School Hall in the event of rain. There is no permission slip to return for this activity. Of course, no child will be made to take part if they don't want to, but we would like to see as many as possible throwing some shapes on the dancefloor!

This year, we have asked the pupils what they would like PODS to raise money for, and the Infant School voted for a climbing frame. We would like to raise as much as we can towards this (after all, the more money we raise the bigger, better and more exciting climbing frame we can donate!), so we are aiming to raise at least £1,500. We would therefore be grateful if you could find as many sponsors as you can as every little helps (however, please stay safe and do not approach strangers - stick to family, friends and colleagues).

Sponsorship monies can be returned to school on the day, or after the half term.

Thank you for your support.
