27<sup>th</sup> February 2019

Dear Parents & Carers of Year 6,

### Relationships and Sex Education Year 6

This letter is to inform you that the school's Relationship and Sex Education lesson will be carried out on Thursday 21st March 2019. Our school's Relationship and Sex Education programme has been designed according to Government guidelines and legislation. It has been agreed by Governors after consultation with staff.

Following on from the work started in Year 4 and 5, these sessions consider the physical and emotional changes that take place as children go through puberty and go on to explain how babies are made. It is recommended that relationships and sex education is delivered to mixed classes of boys and girls and are not intended to be exclusive to either sex. The primary purpose of the programme is to help and support both girls and boys as they go through puberty and to inform them of how babies are made, develop in the womb and are born. After each session the children will be given opportunities to discuss any concerns or worries in single gender groups.

If you would like to, there is an opportunity for you to view the Relationship and Sex Education programmes from 'All About us, Living and Growing' DVD at 6pm on Tuesday 19th March. There are 4 short programmes, each lasting 15 minutes. Kindly complete the slip attached and return it to school by Monday 11<sup>th</sup> March so that we are able to gauge how many people to expect for the viewings. Parents have the right to withdraw their children from parts of the Relationship and Sex Education programme. Please kindly let us know if you would like to exercise this right.

If you have any concerns about any aspect of the work, please come and speak with us. If we do not hear from you, we will assume that you are happy for your child to take part in the work.

Yours sincerely

Mrs. H. Collins  
Year 5/ 6 Phase Leader
