Co-Headteachers: Mrs S Ensor B.Ed & Mrs Z Wilby MA Ed

18th March 2019

Dear Parents/Carers,

As our "Out of this World" Space topic comes to a close, we are planning three mornings of exciting art and design technology activities on 3rd, 4th and 5th April. The children will be designing and crafting their own clay alien, designing and launching their own rocket and baking space brownies.

On one of the mornings the children will be showing off their baking skills while creating space brownies. To produce the brownies the children will be using a standard brownie recipe and ingredients which will include eggs, milk, flour and cocoa. Please note the brownies **will not** include nuts. **Please ensure that your child's medical details, dietary requirements and any allergies are fully up to date and any changes are made with the office.**

For the rocket activity, we would be very grateful if you could please collect any clean 2 litre plastic bottles, so all children will be able to design and launch their rocket. Any equipment would be greatly received during the week commencing 25th March.

If you are particularly creative and would like to help us on any (or all) of the days, please complete the attached form so we can organise the days. It would also help us if you could identify if you are willing to help with the moon buggies, design and launch of the rockets or the International Space Station construction.

Please note you must also have a current DBS check that the school office can approve.

If you have any questions please do not hesitate to contact the class teacher.

Yours sincerely,

Year 5 team

Mr Michica

Mr Melvin

Miss Lyons

Year 5 Space Art and DT mornings

I am willing to help with the art and DT mornings: 3rd April 4th April 5th April

I am particularly skilled in:
