Dear Parents and Carers

As we approach the end of term, the children will be finishing their spring term topic. To mark this, we shall be holding 'parent and child topic celebrations' in both the Infant and Junior Schools on 2<sup>nd</sup> April. This is an informal opportunity for you to come into school, and for your child to share and celebrate with you, their topic achievements over the term. With your child, you will be able to look at their work and the displays within the classroom.

The sessions will run as follows:

Infant School: Tuesday 2<sup>nd</sup> April 3.20 – 4.20pm  
Junior School: Tuesday 2<sup>nd</sup> April 3.30 - 4.30pm

We hope that you find these sessions a useful and fun way to see what your child has been doing in class.

The PODs will be holding their Easter Egg hunt at these times too. More information will be sent shortly. After the success of previous year's events, we hope that you will be able to pop along and join in the fun with them, either before or after you visit your child's class.

Yours sincerely

Co-Headteacher
