Dear Parents and Carers

We are writing to ask for your help and support in keeping the children safe in the playground.

For insurance reasons, children are unfortunately not allowed to use any of the outdoor equipment in the playground outside the reception classes, before or after school. Recently children have been climbing on the soft play and wooden structures, or getting reception toys out of storage in the mornings whilst waiting for the bell to ring. We understand how tempting these things must be to the children and their younger siblings, but our priority is to keep everyone safe, and so we ask that the equipment is only used in the school day when staff are able to supervise the children.

From tomorrow morning, we would be very grateful if you could please wait with your child in the main playground, away from reception, and then line up by the doors after the bell rings.

We hope that you will understand and thank you for your continued support.

The Reception Team.
